LIGHTSPEED ANNOUNCES LINDSAY KLINTWORTH AS SENIOR NATIONAL ACCOUNT MANAGER

Duluth, GA, February 17, 2020 – LightSpeed Automation is pleased to welcome industry veteran Lindsay Klintworth as Senior National Account Manager. As a senior leader, Lindsay will be responsible for expanding relationships with key customers by improving operations and profitability.

A proven leader in innovative business solutions, LightSpeed specializes in warehouse automation, offering solutions for inventory management, digital advertising and order generation

“One of our core values is fostering and maintaining relationships. That commitment has brought together a team of visionaries, the newest member being Ms. Klintworth.” – Randy Smith, President, LightSpeed Automation

Lindsay comes to LightSpeed by way of Crane Merchandising Systems. As Senior Account Director, she oversaw cashless processing and vending management software where she was recognized as a market leader in cashless sales. Her prior position with 365 Retail Markets saw her soar in the fast-paced, micro markets industry. She handled multiple divisions of the Compass Group, most notably Canteen, where she was instrumental in leading the growth of micro markets throughout the Canteen Franchise community.

“Lindsay has a wealth of knowledge and strong relationships in the industry. Expanding key accounts and developing strategic partnerships will further strengthen LightSpeed’s position as an industry leader. Lindsay will be a tremendous asset, and we are extremely excited to have her on board.” – Randy Smith

A native of Beverly Hills, Michigan, Lindsay currently resides there with her two children, David and Ashley.

LightSpeed Automation is an industry leader in operational automation. Their FastTrack and Xpress systems currently operate in several hundred locations worldwide. Learn more at lightspeedautomation.com.
